

WHAT WE BELIEVE

1. The Bible

We believe the Bible is the Word of God, written by divinely inspired men. In its original manuscripts, it is infallible and complete. It proclaims the everlasting Good News of God's Kingdom and contains the true historical record of the life, death, and resurrection of Jesus Christ.

2. Salvation

We believe that all sin separates people from God, and no one is justified by good deeds alone. In love, God provided salvation through the death of His Son, Jesus Christ, who bore the penalty for our sin. Salvation is received by those who believe in Jesus, turn from sin, and follow Him. Those who accept salvation receive eternal life; those who reject it face eternal separation from God.

3. The Holy Spirit

We believe the Holy Spirit is the third person of the Trinity and actively works in the world today. The Holy Spirit brings new life to believers, empowers them to live free from sin, and conveys the promises of Christ. We believe in the baptism of the Holy Spirit as a distinct work of God that follows salvation and may include speaking in tongues and the operation of the spiritual gifts.

4. Obedience

We believe obedience to Jesus Christ is inseparably connected to faith and grace. Obedience is the outward evidence of true salvation, as believers submit their lives to Christ's authority rather than their own desires. Faithful obedience often requires sacrifice in this life in anticipation of eternal reward.

5. Baptism

We believe water baptism is an early act of obedience for believers and a public declaration of faith in Jesus Christ. Baptism symbolizes leaving the old life behind and entering into new life through Christ. We practice baptism by full immersion.

6. Service & Volunteering

We believe serving others is a vital responsibility. Our church is built on volunteer involvement, which strengthens fellowship, encourages spiritual growth, and supports the work of ministry. Through volunteer service, members actively participate in the life and mission of the church.
